

HERITAGE™ REAR GRADING BLADES

BY WOODS® STANDARD-DUTY REAR GRADING BLADE

PERFORMANCE GUIDE

Ideal for driveway grading and snow removal. Available in standard Stone Gray, or major tractor brand colors (Orange, Blue, Green and Red).

RBE4 and RBE5 Rear Grading Blades for compact tractors up to 35 hp

The Heritage™ RBE4 and 5 rear grading blades join the Woods' line of attachments designed specifically for homeowners desiring a lighter-duty rear blade that adds productivity to your compact tractor.

Available in either 4-foot or 5-foot widths, this rear blade's 15-inch high moldboard allows for maximum material displacement, while the 3/16-inch reinforcement improves the unit's rigidity.

Don't forget, Woods also allows you to expand your tractor's capabilities by offering other Estate Series attachments such as: loader, backhoe, tiller, box scraper, and power rake.

Key Features

- For use on Category 1 tractors up to 35 engine horsepower
- 360° Pivoting blade with five forward and five reverse angle positions
- 15-inch high moldboard for maximum material displacement
- 3/16-inch reinforced moldboard resists twisting
- 3/8-inch by 3-inch welded cutting edge
- 4- and 5-foot widths to accommodate most compact tractors
- Multiple color options to match major tractor brands
