

HERITAGE™ BOX SCRAPERS

BY WOODS® MEDIUM-DUTY BOX SCRAPER

PERFORMANCE GUIDE

Ideal for driveway grading, feedlot scraping and landscape contouring. Available in standard Stone Gray, or major tractor brand colors (Orange, Blue, Green and Red).

BSE4 and BSE5 Box Scrapers for compact tractors up to 35 hp

The Woods® BSE4 and 5 box scrapers join the Woods' line of attachments designed specifically for homeowners desiring a lighter-duty box scraper that adds productivity to your compact tractor.

Available in either 4-foot or 5-foot width, this box scraper's 15-inch high reinforced moldboard allows for maximum material loading and resists twisting.

Don't forget, Woods also offers you a wide variety of other equipment to expand your tractor's capabilities, such as loaders, backhoes, tillers, rakes, blades, chippers, post hole diggers, and much more.

Key Features

- For use on Category 1 tractors up to 35 engine horsepower
- 15-inch moldboard for maximum material loading
- Reinforced moldboard that resists twisting
- 3/8-inch by 3-inch welded cutting edge
- Hardened scarifier teeth with replaceable tips
- Multiple scarifier height settings for optimum depth control
- 4- and 5-foot widths to accommodate most compact tractors
- Multiple color options to match major tractor brands
