

GANNON® LOADER BUCKETS

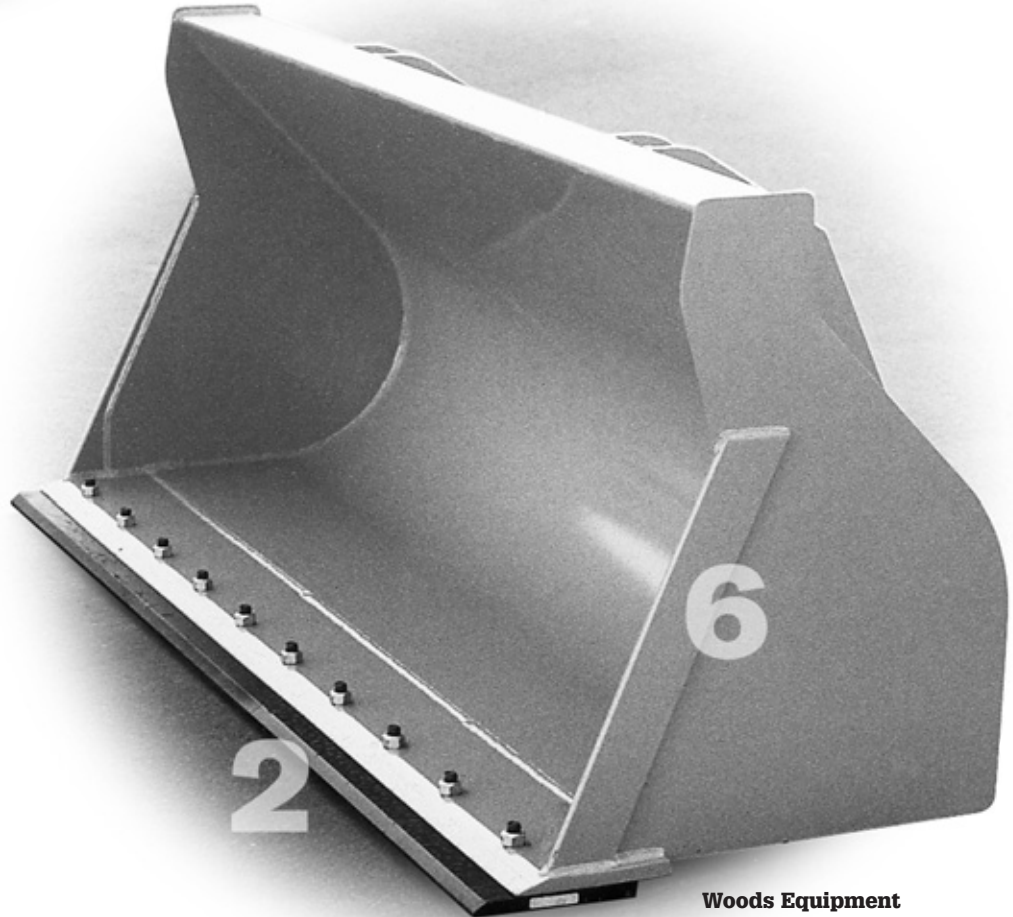

For over thirty-five years **Gannon®** has been bringing the construction industry the finest in heavy-duty loader buckets. With innovative design and exacting engineering we are incorporating the features and integrity demanded by today's most aggressive contractors.

Don't settle for the standard. Specify **Gannon®**.

features

- 1** Extra thick backsheet resists denting and provides long wear life
- 2** High wear resistant bolt-on reversible cutting edge is standard equipment
- 3** Enclosed chain loops
- 4** Five full length wear strips protect the bottom of the bucket
- 5** Large heavy duty spill guard assembly will not fold over even in the harshest conditions
- 6** Heavy side wear bars
- 7** Square back at bottom of bucket for backdragging material
