**Dare-to-Compare**

**Woods' 30 & 40 Series Tillers**

Woods’ new standard-duty Rotary Tillers are a high quality, low maintenance, and easy to use addition to your stable of landscaping tools. This completely redesigned line of PTO-driven attachments is backed by Woods’ industry-leading warranty.

---

**Durability**

- **Double Flange**
  - Woods’ double flange design clamps both sides of the tine - just like heavy-duty skid steer and agricultural grade tillers.
  - Woods Cast-Iron Gearbox backed by Woods’ industry-leading three year warranty.

- **Strong blade support**
- **Simple maintenance**
- **Patent pending design**

---

**Easy Maintenance**

- **Service**
  - All Woods equipment is backed by superior service from a nationwide network of Woods Dealers.
  - *Make sure the tiller you buy is backed by dependable product support.*

---

**Safety**

- **All Woods cutters are tested to applicable industry mower safety standards.**

  **Safety Tested**

  **Make sure the tiller you buy is tested for safe operation.**

---

**Performance**

- **Forward/Reverse Rotation**
  - Pre-configured for forward or reverse rotation - no alterations required.

- **Gear-Driven Side Drive**
  - Our gear-driven side drive allows years of dependable service with far less maintenance required than a chain-driven unit.

- **Heavy Weight**
  - A heavier rotary tiller will perform better by digging deeper.

- **True Tilling Width**
  - All Woods tillers are advertised and sold by true tilling width, rather than machine width.

---

**Cast-Iron Gearbox**

- **Cast-Iron gearbox backed by Woods’ industry-leading three year warranty.**

---

**Match Your Tractor Color**

- **Land Pride**
- **Bush Hog**
- **Kodiak**
- **Cherokee**
